Dear Sirs,

For the Attention of Sally Taylor

I would like to thank you on behalf of Changing Lives in Clevedon for your very kind donation of £1000.00 this enables us to continue to support both Alabare (Andrew House, Clevedon) and Crisis Centre Ministries. We have recently opened another two shops in Bristol which are also doing very well with local support in the area. 2014 also saw Spring of Hope shop open which helps the woman's refuge in Bristol which means vulnerable woman are off the streets at night.

Your donation will make a real change for so many people and we cannot thank you enough.

With best Wishes for the following year.
