

Modern Slavery Policy Statement

PB Design (the "Company") is committed to the highest level of ethical standards and governance. This includes impartiality, integrity, and objectivity in relation to our activities.

We fully support the objective to eradicate modern slavery and human trafficking and ensure that we comply with the Modern Slavery Act.

We call upon all organisations we engage with to influence their global supply chains by improving transparency and accountability; and together we can help to eradicate the injustice and brutality of modern slavery and human trafficking.
